## IN KIND DONATIONS

### IN-KIND DONATION GUIDELINES

In-kind donations of products or services are helpful to nonprofit organizations working diligently to advance the common good in Routt County. As a community mobilizer and leader of the Human Resource Coalition, we work to place your in-kind donations with the agency or family who needs it most.

To make an in-kind donation, send your request to [Kate@routtcountyunitedway.org](mailto:Kate@routtcountyunitedway.org) with your contact information you agree to share with our agency collective. All physical donations must have photo documentation of the items sent via email, as well as a detailed description of the goods being donated.

While we work to place all in-kind donations with a nonprofit or individual in need, occasionally in-kind donations are not accepted. If you are not contacted within two weeks after contacting Routt County United Way, there is not a current need for your item and disposal is your responsibility.

Thank you for consideration in helping a nonprofit or family with gently used physical items.
